

Who You Are

You are the principle at Long View High School.

What You Need

You have noticed a lot of students going to the smoking pit at the school. You would like to create a new smoking prevention program for Long View High School. You tried this in the past but youth weren't participating because they felt the teachers didn't understand their issues. You need a youth-created peer to peer program about this issue.

What You Can Offer

You can guarantee the program will be supported by school administration. You can provide budget to cover the cost of creating and maintaining the program.

Your Mission

Find partners within the Long View High School community who can assemble youth to create this and act as the director for the project.

Who You Are

You are a teacher at Long View High School and have a family member who has passed away from lung cancer.

What You Need

In the past, students have asked you for help to quit smoking. For a long time you thought it would be great to have a club to address smoking prevention. Until now you haven't had administration support or funding.

What You Can Offer

Space to meet, expertise working with youth and have dedicated free time to run a smoking prevention club.

Your Mission
